

BULLETIN ANNOUNCEMENTS for Campus Ministry Sunday  
—Could be used one or two Sundays prior.—

Long bulletin announcement:

**Support ABT's Campus Ministry with a special offering on Sunday, [DATE]**

Campus ministry excels at supporting young adults during a crucial, formative time in their lives, when they wrestle with questions of identity, vocation, and the challenges and opportunities of post-secondary education. In campus ministry, students are engaged head and heart and make life-long connections with Christ and other Christians. Those who go to school away from home find a new community. Young adults are prepared to live out their calling to be disciples of Christ in many different positions in society. Many lay leaders, pastors and deacons have come out of campus ministry. It's a ministry no congregation could do alone, but together we cover seven Alberta campuses in five cities, served by five passionate and talented part-time or full-time chaplains. Thank you for your generous support!
