News bulletin re. *On Eagle's Wings'* Bible Camps

As we continue to work through the ramifications of the Covid-19 pandemic, it has become abundantly clear **that it will be at least several months before we can be physically present in northern communities again.** This is not good news.

Our care and concern for the physical, spiritual, and emotional health of our friends in the north—and our volunteers—is, and always has been, paramount. That care led us to avoid making snap decisions early on in the pandemic and to follow God's prompting to wait on His timing rather than cancelling everything outright.

His timing is, as always, perfect! And that brings good news. **The CLAP (Christ Loves All People) Bible Camp curriculum is complete and we will be offering it as a virtual Bible Camp by video, accompanied by activity packs for the children.** We are partnering Bp. David Lehmann of the Diocese of Caledonia to create this video Bible Camp. Bp. Lesley Wheeler-Dame of the Diocese of the Yukon is also supporting this and collaborating with us. This is incredibly good news because, through it, we will continue to walk with northern people.

Volunteers can still be part of a CLAP Bible Camp. There is a place for volunteers to share their gifts and talents to participate in producing the videos. **I am inviting volunteers to take a video of themselves telling one of the Bible stories, leading a craft, skit, song or another of the activities in the curriculum.** The video can be taken on a smart phone or tablet and should be short. We ask that the video be emailed to us or sent by Google Drive.

More information, such as deadlines, will be available shortly as we work through the details. For now, we are asking volunteers to be a part of this, and to let me know if they are willing to 'star' in a Bible Camp video.

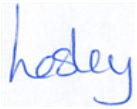

A short, similar version of this was posted on our Facebook group and page during Holy Week. To find them, just search for On Eagle's Wings Ecumenical Ministries Inc. on Facebook. Our website address is listed above on the letterhead. Or to be added to the Facebook group, please contact me. We also **welcome other forms of volunteer assistance.**

I am immensely thankful to have this good news to share and **sincerely hope that volunteers will be part of our first ever video Bible Camp.** I am looking forward to including them in this new and exciting project. I anticipate that this will be a springboard for augmenting

and adapting our curricula and Bible Camps in the future so that we can serve communities better.

We are immensely thankful for our volunteers, donors, and friends who help make Bible Camps possible. God's timing is perfect in bringing us this opportunity at this time. It is very exciting! I hope volunteers will enjoy sharing the love of Christ with northern children and their families in this new way. Questions and enquires can be directed to me by phone or email.

In faith,

A handwritten signature in blue ink that reads "lesley". The signature is written in a cursive, lowercase style.
